

Turn On-Off Airplane Mode on Samsung Galaxy J7 Pro

Via Settings menu

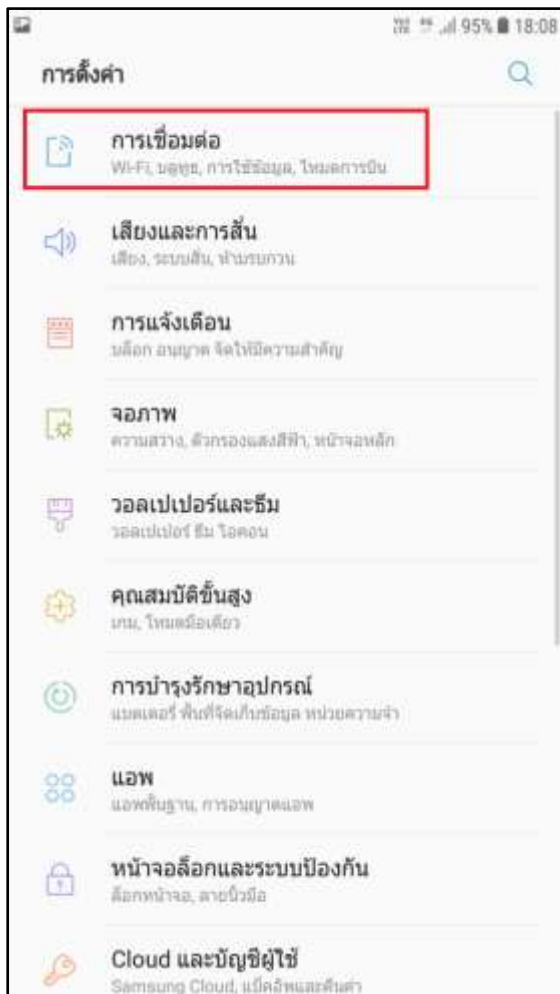

1. On main screen, swipe screen up

2. Select (Settings)

3. And then (**Connections**)

4. At (**Airplane mode**) > you can turn on- turn off this mode

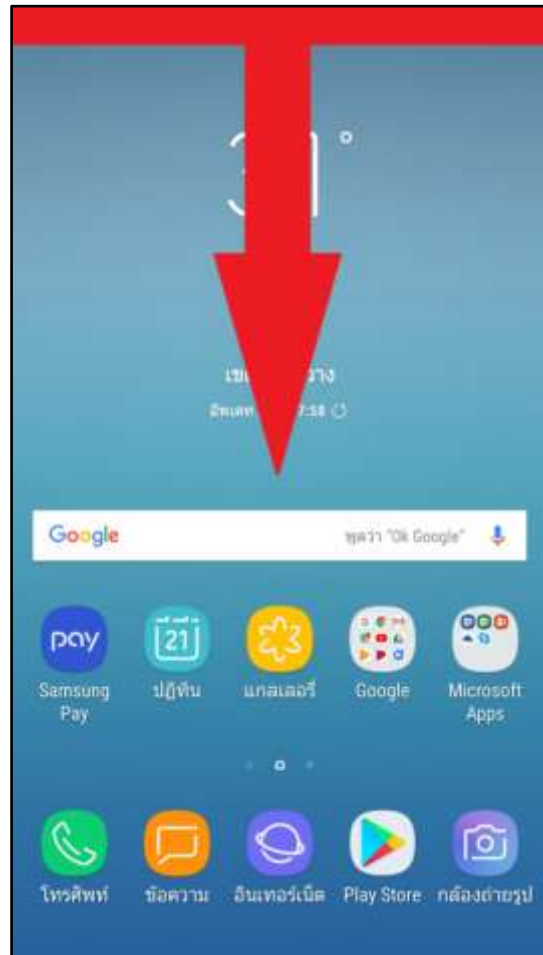

5. If turning on > a button will be blue and at top right a tiny plane will appear

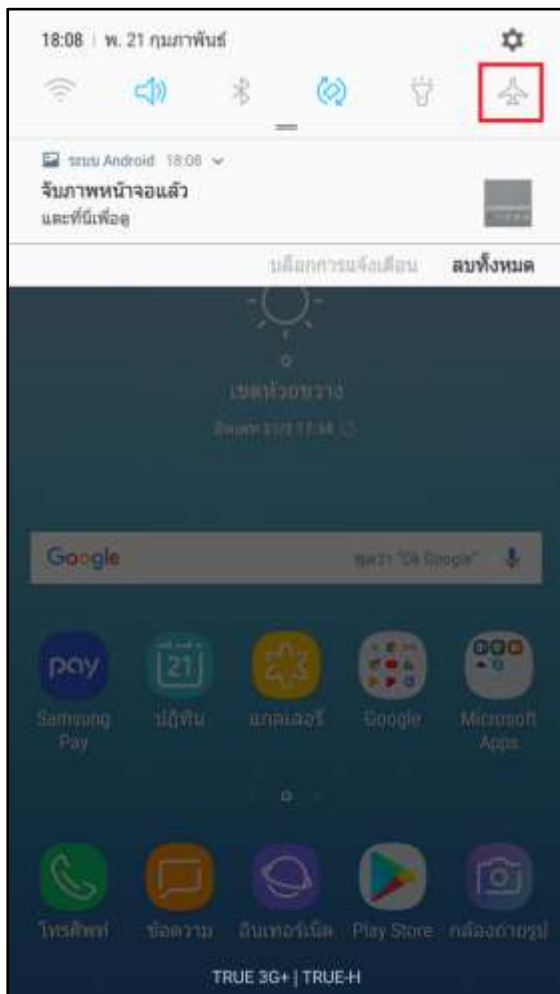

Via Control Center

6. Swipe screen down until you find a Notification Center and Control Center

7. At (Control Center), you'll find an airplane sign

8. Tap this sign to turn it on-off (Airplane mode)

(On = blue / Off = grey)
