

## Select Network Operator on Vivo V9

This setting can apply to Vivo V9 and other Vivo models with OS Android 8.0 or higher

1. On main screen, select (Settings)

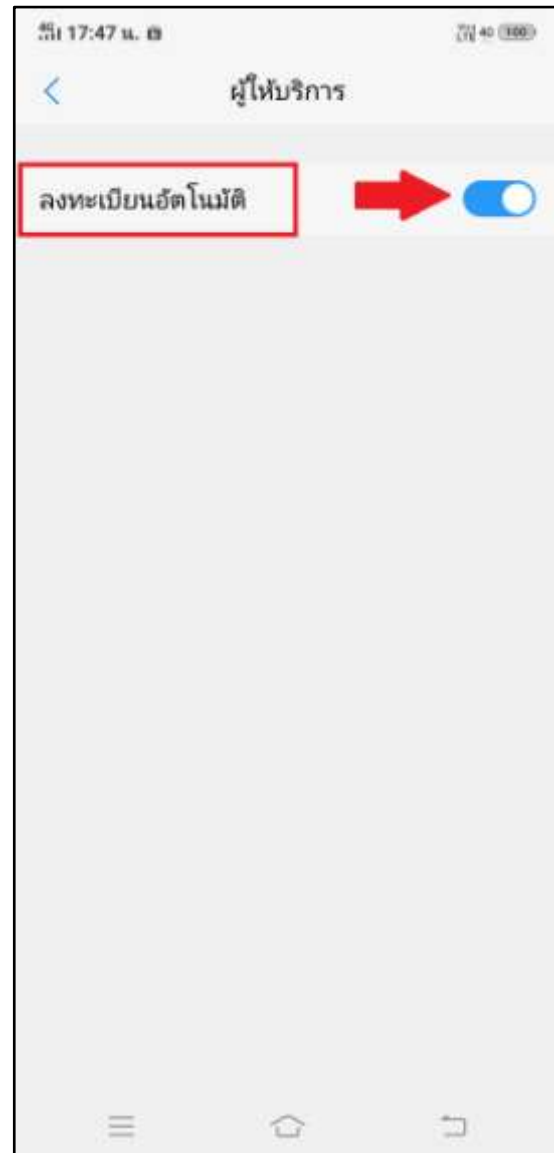

2. Tap (Mobile network)

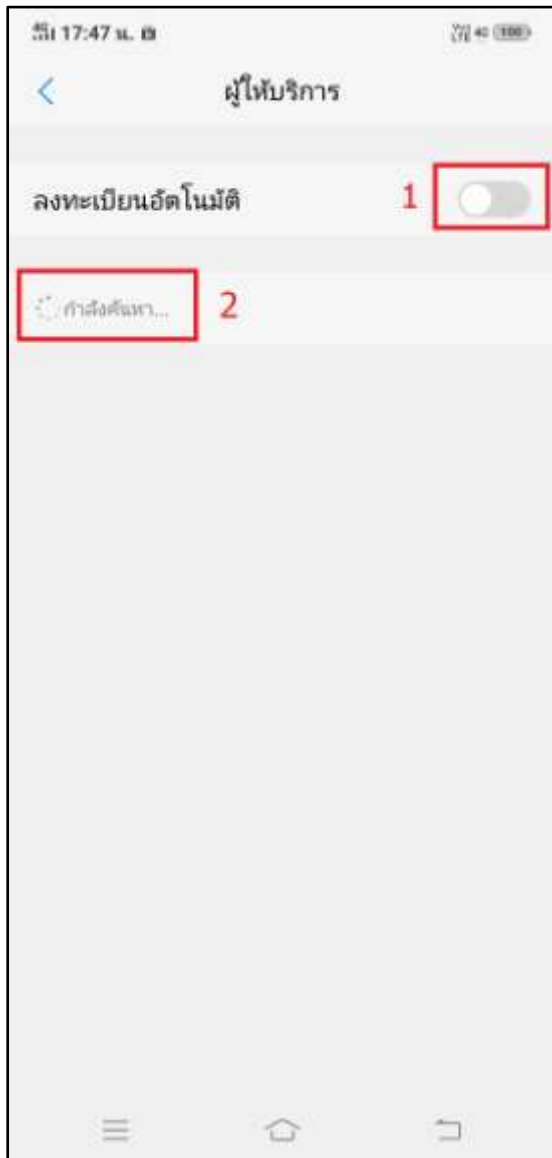

3. Select (Carrier)

4. It'll show Carrier name and Automatic Registration is turned on then tap to turn it off

5. Automatic Registration will turn off and show (Searching...)

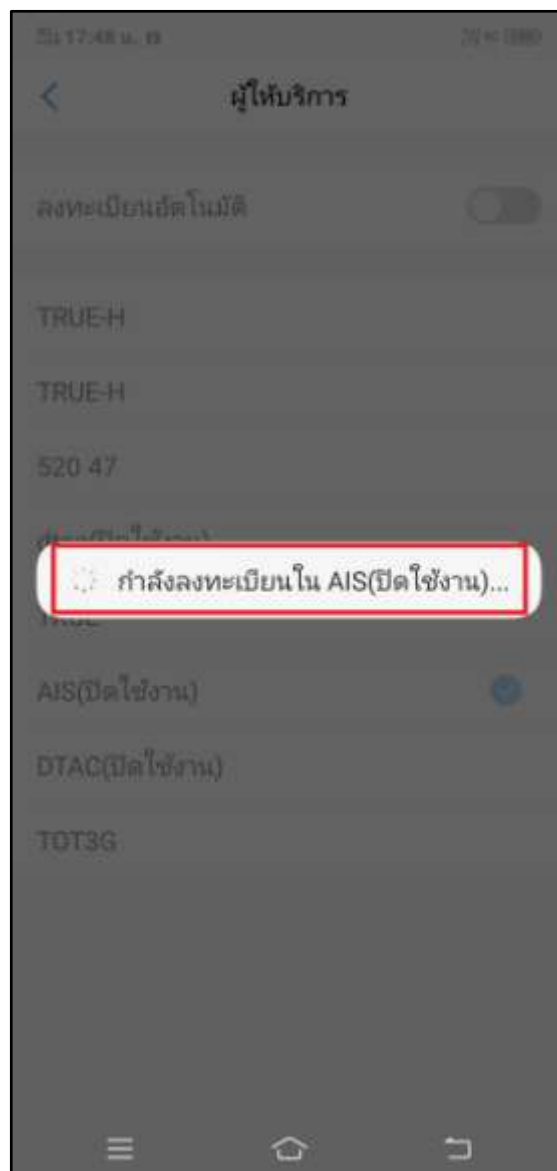

6. Various networks will display including the one with a check mark means it's the selected network at present

7. Test choosing other network e.g. AIS

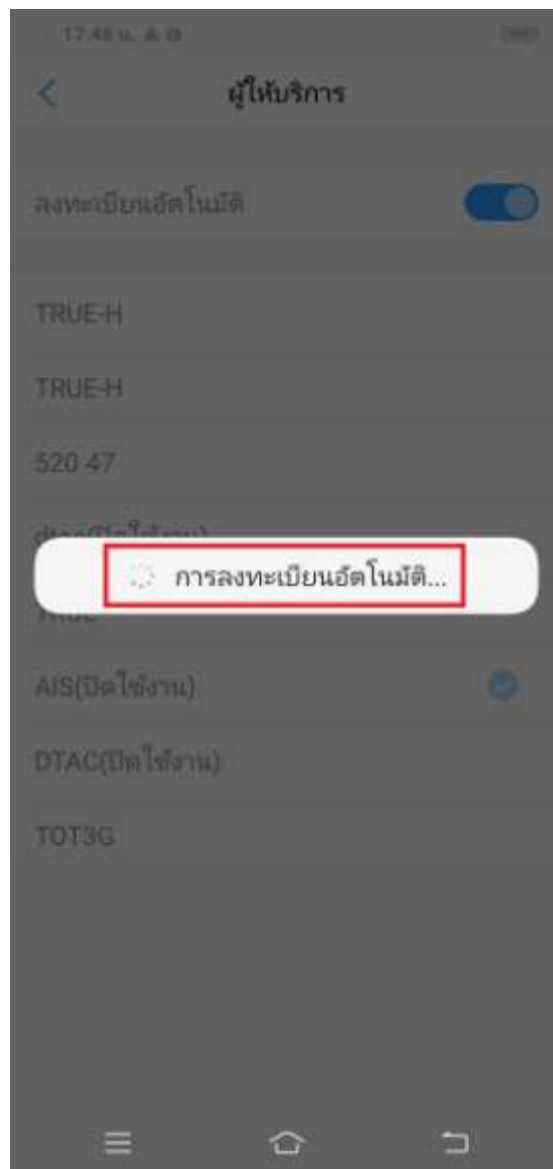

8. Registering on network, wait a moment

9. After that a popup will notify unable to register on network, recommend to choose Automatic Registration > tap a button to turn it **(On)**

10. Wait a moment

11. After successfully registration, go back to (Carrier) again > Automatic Registration is turned on, check to see if there's network sign, test using Data again
