

# How to set up Airplane Mode on True Lenovo 4G A6000

2 methods can be done:

## 1) Settings menu

1. Go to 'Settings'

2. Select 'More'

3. Place a check mark at  
'Airplane mode'

4. Select 'OK' to confirm to  
switch on 'Airplane mode'

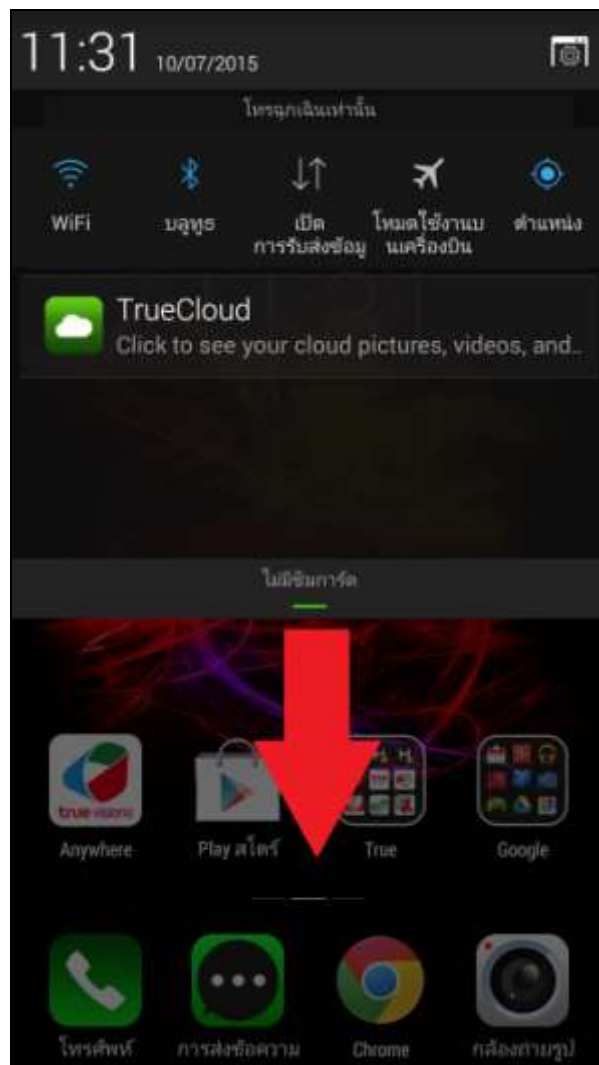

5. After select 'OK', a true sign appears and a tiny plane shows on the top

## 2) Shortcut menu

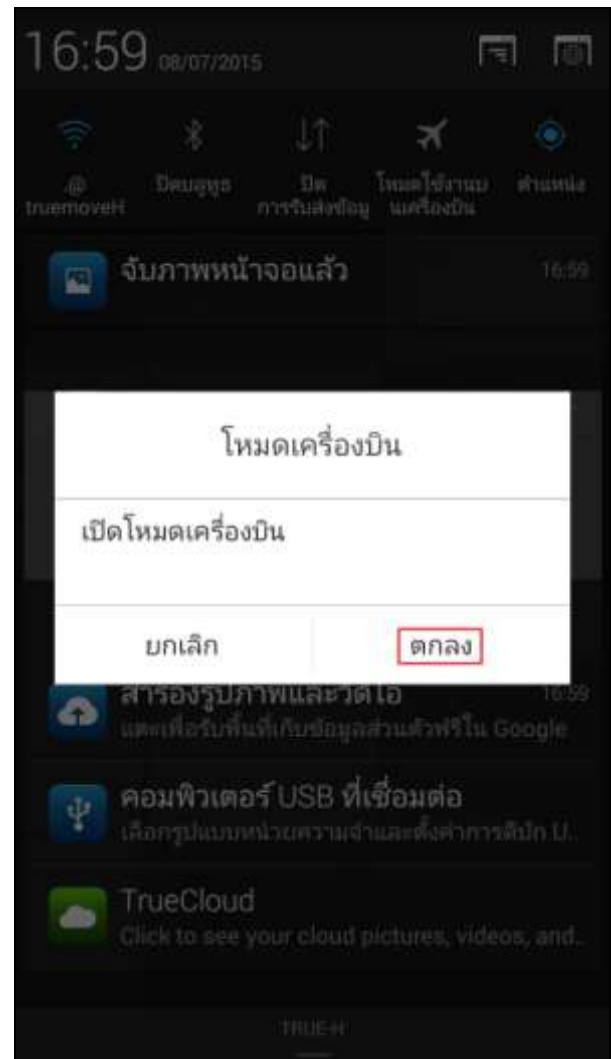

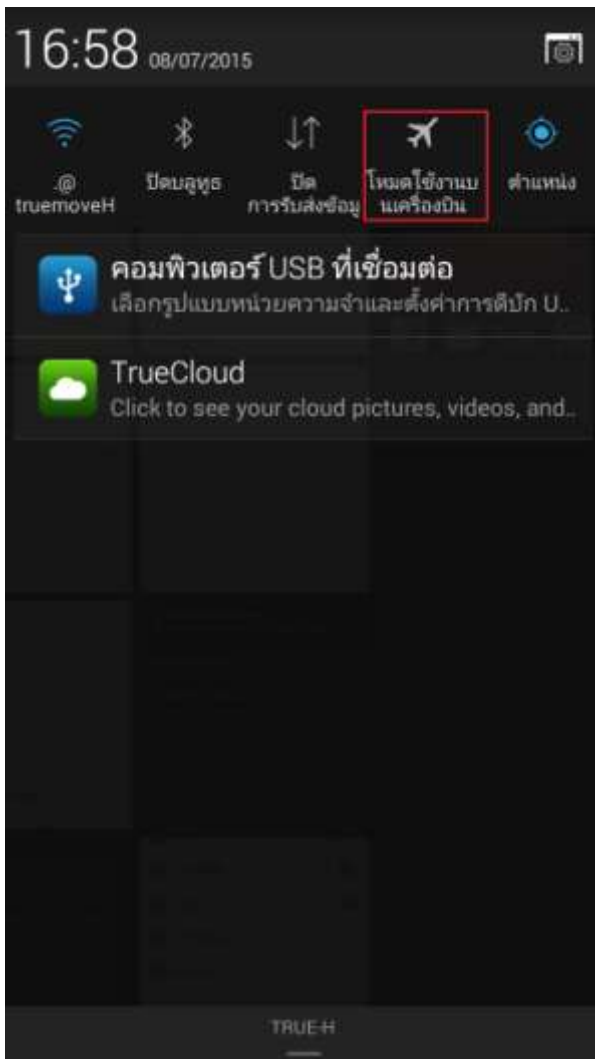

1. At main page swipe down from top

2. Shortcut tab will show up

3. Select 'Airplane mode'

4. Select 'OK' to confirm to switch on 'Airplane mode'

## 5. 'Airplane mode' turns blue
