

Restore Factory settings for True Super 3

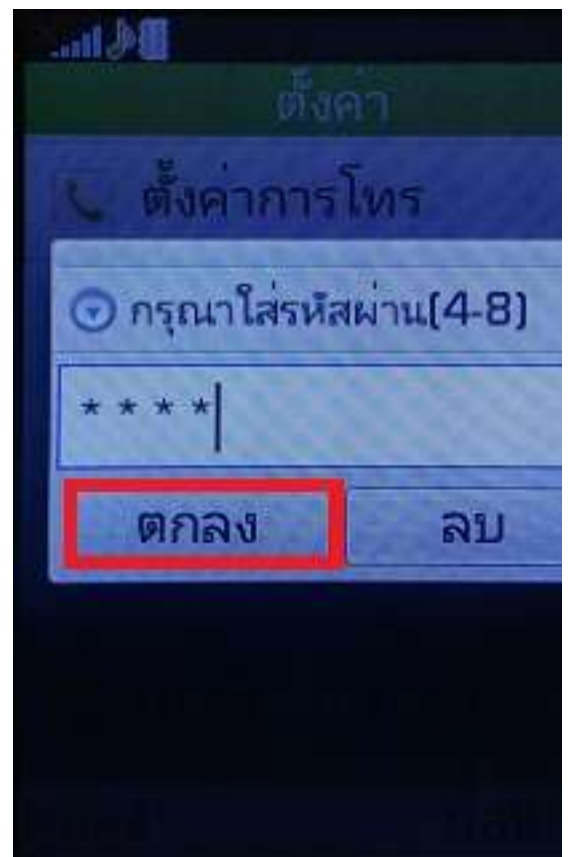

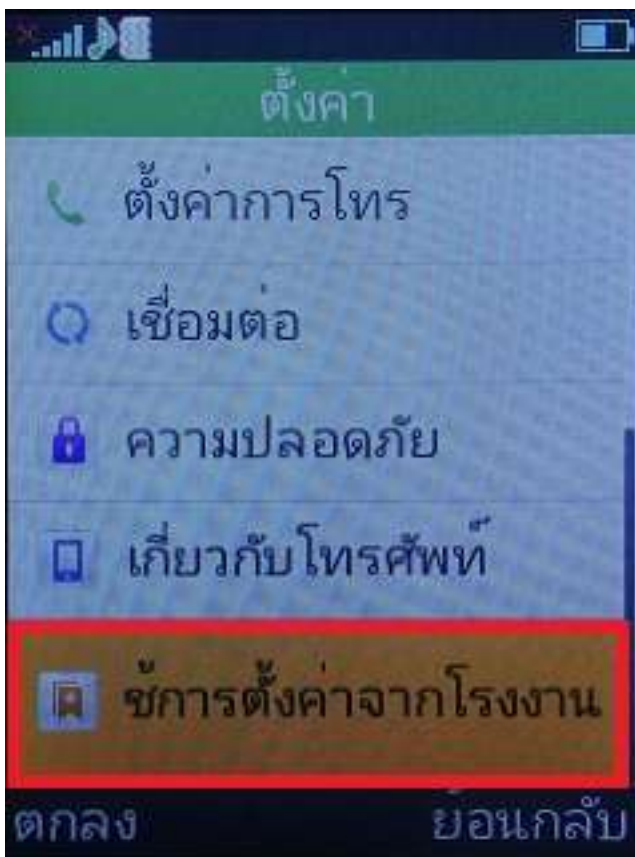

1. At Home screen, select [Menu]

2. Select [Settings] and press [OK] button

3. Select Factory Reset and press [OK] button
4. Enter the password **1234** and press [OK] button
(default password is 1234, if it has been changed, enter new password)

5. There'll be a message ask whether to delete data, choose [OK] and wait for resetting process
