

How to turn on/ turn off blue edge light TrueID TV Version 2 T3AMX3

1. Things to know

Blue edge light will be on all the times except some cases as follows:

- 1.1. Status is Standby
- 1.2. While being at Settings menu
- 1.3. While using Application e.g. Google Play Store, Youtube, Netflix etc.

2. Setting screen

- 2.1. Press Home
- 2.2. Use navigation buttons to Gear sign on top right and then press OK on remote control
- 2.3. Or press and hold 0 button to go directly to Setting menu

3. Use navigation buttons to (Light on TrueIDTV Box) and press OK on remote control

4. Turn on/ turn off Indicator light

4.1. Turn on light

Choose On/ Off Indicator lights and press OK on remote control to make a button turns blue

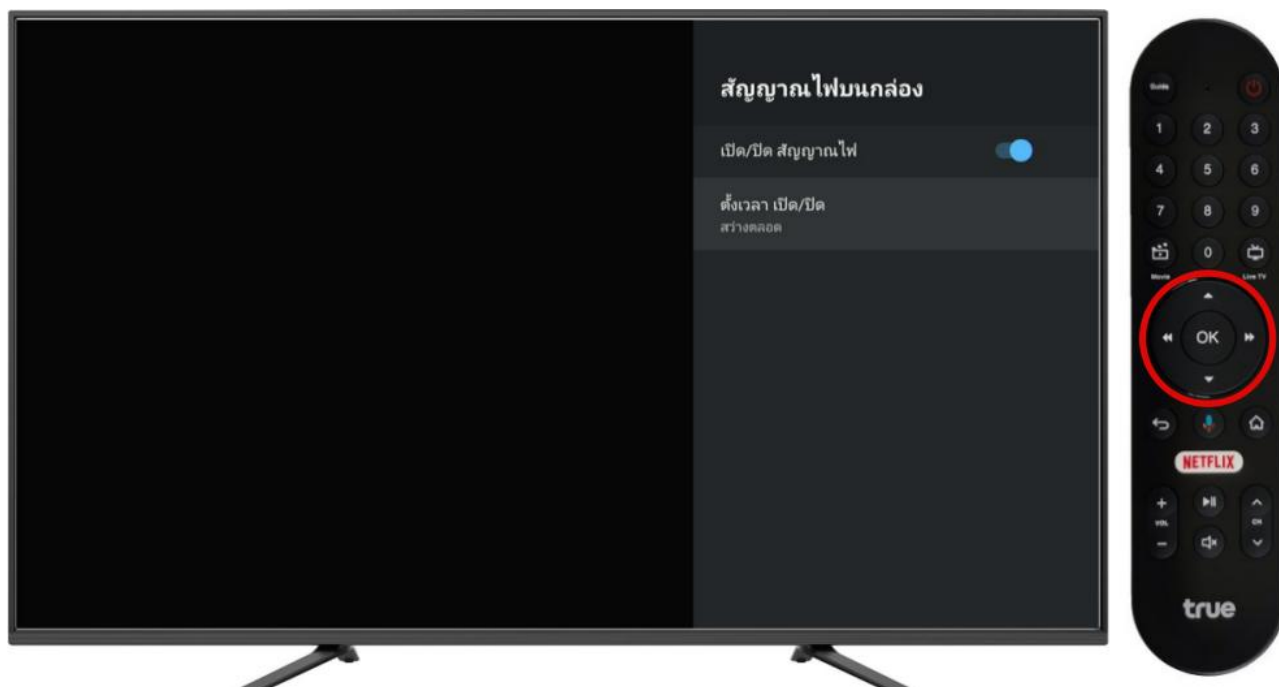

4.2. Turn off light

Choose On/ Off Indicator lights and press OK on remote control to make a button turns grey

5. Set time On/ Off indicator lights

5.1. Move down to Set time, by default is (Always on)

5.2. Can choose duration of time either (Always on) or (On for...min)

If set time, light will be off until box is turned off/ on
