

How to add App shortcut on Home screen TrueID TV Version 2 T3AMX3

1. Home screen

1.1. Press Home (or press and hold Home button to Other app immediately)

Use navigation buttons to Application and go to + box and press OK on remote control

2. Use navigation buttons to preferred App then press and hold OK button around 2 seconds, there'll be a pop up add to Home

3. A Shortcut of preferred App will show on application tab at Home screen
